

June 2010

Dear Clients and Friends:

We're going green!

Starting this month, many of you will be receiving my monthly newsletter and events calendar by email. The events calendar will come as an attachment to the email message, so you can simply click on it and print if you want a paper copy. We're hoping to get as many people as possible onto this system in the next couple of months.

My revised webpage is at [www.cmsfinancial.com](http://www.cmsfinancial.com), and you can find many of my previous newsletters archived there.

Do you have friends or relatives who would enjoy receiving the newsletter? They can subscribe by going to my webpage and entering their email address.

We've tried to make it easy to get on (or off) the list. If you have any questions or comments, please give me a call.

Regards,

Charles M. Shackelford
